2022 Teignmouth and Shaldon Bonfire and Firework Display

Shaldon Parish Council are delighted to announce that the annual Teignmouth and Shaldon Bonfire and Fireworks Display will take place on Saturday 29th October 2022, so please put the date in your diaries. The Bonfire will be lit on Shaldon Beach as usual at 6.30pm, with the Fireworks beginning at 7.15pm.

The theme this year will be "**Harry Potter**" and children are invited to make Wonderful Wizarding Guys for the Bonfire!

We will be looking for lots of clean wood (with no nails or other metal attached please) for the Bonfire so please start collecting and we'll let you know nearer the date how you can get this to us. Keep an eye on this page.

We would also be very grateful for volunteers to help us build the Bonfire during the day or in the evening by selling the burgers and collecting the money in buckets that will finance next year's event. It's always lots of fun to be part of the Bonfire and Fireworks Team, so please email the Parish Clerk, Nicola, at clerk@shaldonparishcouncil.gov.uk to volunteer**.**
