RESURFACING WORKS ORD2303372
SHALDON ROAD, NEWTON ABBOT

Wednesday 10th January 2024

Dear Sir / Madam.

This letter is to give you information about the forthcoming resurfacing works on the Shaldon Road to the East of Newton Abbot.

Due to the nature of the works an overnight road closure is required and the diversionary route for traffic will be signposted and advanced signs will also be placed on the Highway.

I apologise in advance for any inconvenience caused, including construction noise. We will endeavour to keep all disruption to a minimum.

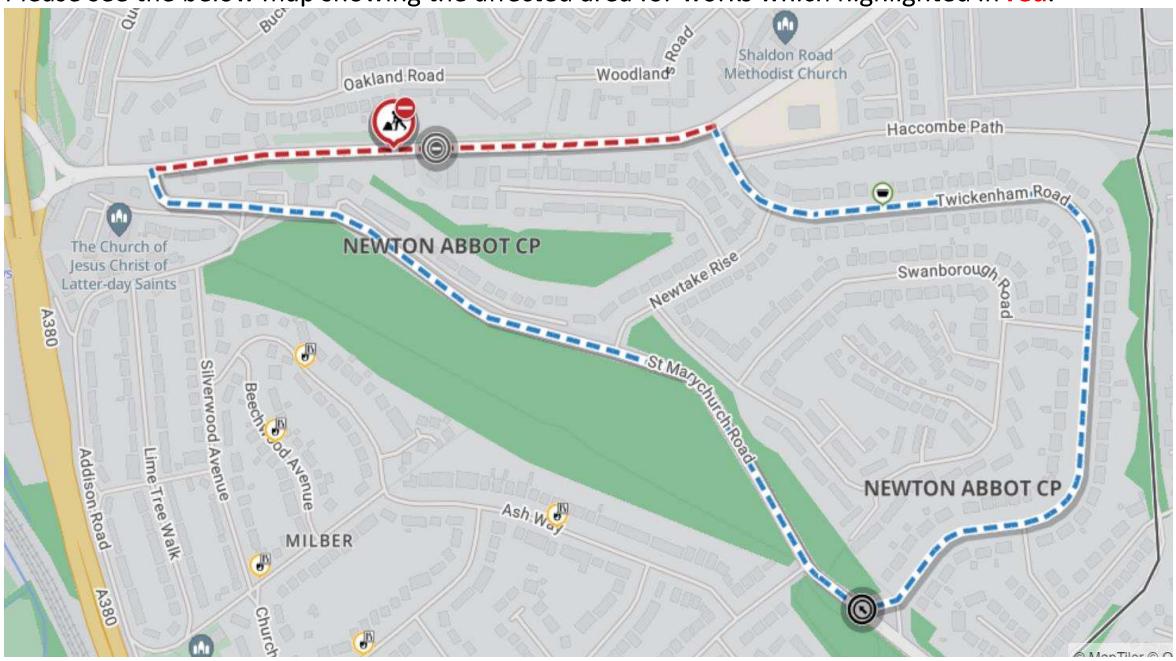

The planned on-site working hours will be **Monday 22nd January from 1900hrs until Saturday 27th January 2024- between the hours of 1900hrs until 0600hrs. All noisy activity we aim to complete by 2300hrs each evening although works will continue.**

Please note, outside of the closure, the road will be reopened but drivers must take care as there may be some areas not completed.

<u>Our planned programme for the delivery of the work is:</u>

- Patching and resurfacing.

Please see the below map showing the affected area for works which highlighted in **red**.

Please note the official diversion route during these works is the **blue dotted line**.

Thank you for your patience and understanding while we are carrying out these works. Should you have any questions please contact me at highway.highwayscommunityliaison-mailbox@devon.gov.uk I will do my best to try to help.

Regards
Phil Durrant
Stakeholder Relations Officer
